## Fundraising

**NCS has some exciting fundraising opportunities set to begin soon!  
Here's a sneak peak of what we're looking forward to:**

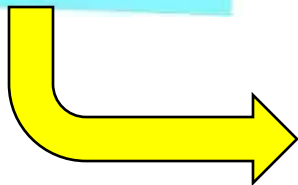

### **IN-DEY-GO COOKIE DOUGH & CINNAMON BUNS**

Beginning Oct. 8<sup>th</sup>, NCS students will be selling these delicious treats through the In-Dey-Go Fundraising Company based here in Alberta. With 11 cookie flavours to choose from and 2 different styles of sweet cinnamon buns, there is something for everyone to get excited about. And, for everyone's convenience, online ordering will be available. Please watch for important details about this fall fundraiser and order forms to be sent home shortly.

### **FUNDSCRIP**

Consider purchasing gift cards through NCS to support our school! These make perfect gifts, amazing stocking stuffers, and there are so many great ones to choose from. Order submission dates and forms can be found on our website. The first order submission date is: Oct. 9<sup>th</sup>, 2020.

\*\*Order forms for these fundraisers will be available to view and/or print on our school website once the fundraising periods have begun.\*\*

### **ORDER FORMS:**

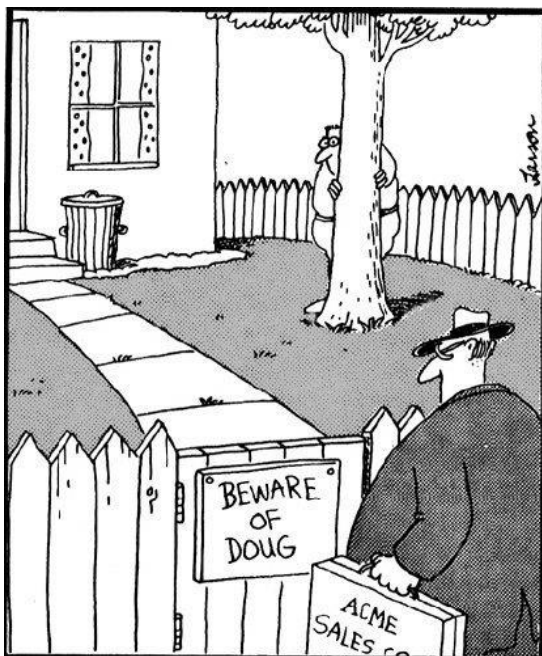

- Order forms for the NCS kitchen (a.k.a. "Food House") and Booster Juice can be found on and printed from our website. **Please note the submission dates** on every form and have your orders submitted to your homeroom teacher by that date. Late orders may not be accepted.

### **ENTRANCES:**

- All school entrances will remain locked until 8:20 am. Students who arrive early will be required to wait outside until this time.

### **LIBRARY:**

- Library procedure is a little different this year for everyone, but we seem to be settling in to the new routines very well! Thank you for your patience and cooperation 😊 If you are a student that is reserving books online using the library catalog, please try to have all of your holds for the week placed the day **BEFORE** your library class.
- If you are using the 'book request ticket' system and have a specific request for that week, simply fill out 1 side of the coloured form and return it to school inside your library book bag. If you **DO NOT** use the request form one week, please just leave the empty form in your library bag. That way it is there and ready if ever you choose to use it. Please help us save some trees and do not throw it away!
- The NCS Library Catalog is online and available to every NCS student! The link can be found on our website. If you are a parent of a younger student using the 'book request ticket' system, you are welcome to browse the catalog with your child(ren), and request specific titles on your coloured slip.
