Beginning on Friday, January 21st, and running until Thursday, January 27th, our Junior High classes will be participating in PATs and midterm exams. Exams will begin at 9am. An exam schedule has been provided for all students; it will be in the upcoming newsletter and is posted on the school website.

Students are required to remain in the exam room for a minimum of 1 hour. Once your student has completed their exam on that day, they are free to leave school for the day if the permission form below has been signed by the student's parent or guardian and returned to the school. There will be a supervising teacher in the afternoons for any student remaining at the school. These will be times set aside for study sessions. It is expected that any students that remain at the school will be attending these sessions.

Teachers will be in the building should students need some extra review time. Students are encouraged to make use of these opportunities to ensure they are as prepared as possible for their exams.

Please detach and return the permission form below
