Pink Shirt Day

The Pink Shirt indicates the welcoming and respect of others

Valentines Day

- Valentine greetings were popular as far back as the Middle Ages, though written Valentine's didn't begin to appear until after 1400. The oldest known valentine still in existence today was a poem written in 1415 by Charles, Duke of Orleans, to his wife while he was imprisoned in the Tower of London following his capture at the Battle of Agincourt.

Principal's Message

Hello Noble Central,

Happy New Year and welcome to 2024! You may need your window scraper to clear off your screen to read this, but it seems like things are starting to return to a seasonal normal for now. February is an exciting time in the school. Our junior high and high school students will experience the semester change, and will get a new schedule, classmates, and teachers. Please talk to your students about their new courses, and reach out to the teachers. We need our family's support and involvement to be the best we can be. I am truly grateful for being here, and I hope we continue to earn your support.

This semester change brings with it a new opportunity for NCS. I am really excited to announce that we will be running a spring musical drama production. Students will have the opportunity to participate from acting, to musical support, to set design and construction. Safe to say, I can't wait to see our students knock that out of the park. If you are interested in your student being involved, please reach out and we will look for ways to involve everyone. This signals a major growth to our fine arts programs. To add to the business, our basketball teams are in full swing, and representing our community with pride. The February break runs from the 19th to the 23rd, so it does slow down for a while, before the final basketball push in March. It's certainly going to be a busy time.

I always try to remind our community that our school council runs on the first Wednesdays of the month, so our next meeting is February 7. We love having you in our building, and in our journey to make this the best school that we can. We know we can't do it without you, and we are truly grateful for our families. Thank you for your support, and feel free to reach out to me with any questions you may have.

GO BLADES!!

The Pink Shirt Day Story

In 2007, Berwick Nova Scotia, after a new student at their school was bullied for wearing a pink shirt, two grade 12 students bought 50 pink shirts and encouraged their classmates to wear pink. The next day they went to distribute the shirts and to their surprise the majority of students arrived wearing pink! With that act of kindness, Pink Shirt Day was born.

In recognition of the Berwick event, Nova Scotia proclaimed the second Thursday of September "Stand Up Against Bullying Day." In 2008, British Columbia proclaimed February 27th to be the provincial anti-bullying day, and the movement has continued to grow. In 2012, the United Nations declared May 4 as Anti-Bullying Day, and now the last Wednesday each February is Canada's national Pink Shirt/anti-bullying day.

Many countries now recognize specific days for raising awareness about the prevention of bullying and promoting kindness and inclusion. In Canada, many students have heard the Pink Shirt Day message from kindergarten through to their high school graduation. The movement continues to grow.
