WHAT'S IN THIS MONTH'S ISSUE:

MONTH OF ENDINGS

*The month of leaves and roses,
When pleasant sights salute the eyes,
And pleasant scents the noses.*
—N. P. Willis (1807-67)

June 20 is the summer solstice, which heralds the start of summer in the Northern Hemisphere. It's the day with the most hours of daylight. Take advantage of these long days to enjoy the outdoors, family and friends. In the Southern Hemisphere, winter begins at this time. A reminder to us in the North that winter is coming, but not today.

PRINCIPAL'S MESSAGE

Hello Noble Central,

As we enter the final month of the school year, I want to take a moment to reflect on the incredible year that we have shared. June is a time of celebration, reflection, and anticipation. Together, we have overcome challenges, celebrated achievements, and grown stronger as a school community.

To our graduating students, congratulations on reaching this important milestone. Your hard work, perseverance, and commitment have brought you to this moment, and we couldn't be prouder. As you step into the next chapter of your lives, remember that you carry with you not only knowledge but also values, friendships, and memories that will last a lifetime. It's an odd feeling to be glad that some students are leaving the school, but happy to see these graduates take the next step.

For all our students, June is also a time to finish strong. Final projects, exams, and events are ahead, and I encourage everyone to stay focused and give their best efforts until the very end. Remember, how you finish is just as important as how you start.

I also want to express my sincere gratitude to our dedicated staff and teachers. Your passion, resilience, and care for each student make a lasting impact every day. To our families, thank you for your ongoing support and partnership in your child's education. I'm extremely lucky and privileged to get to see our staff working every day. Our students are in great hands.

As we look forward to summer, I encourage everyone to find time to rest, recharge, and reconnect. Whether you're traveling, enjoying time at home, or pursuing new interests, take care of yourselves and each other. Wishing all of you a joyful and safe summer ahead. Let's finish the year strong and continue to grow together!

GO BLADES!!
